

2020 IMPACT FLORIDA EDUCATION SUMMIT

Execution for Equity: The Five Conditions for Effective Teaching

Thursday, April 2 - Friday, April 3, 2020

Wyndham Grand Orlando Resort Bonnet Creek, 14651 Chelonia Pkwy, Orlando, FL 32821

The 2020 Impact Florida Education Summit will provide participants with specific and actionable learning and collaboration opportunities that address the persistent opportunity gaps that exist in Florida schools across racial, ethnic, and socio-economic lines. Spring boarding directly from last year's Summit content, the 2020 Summit will focus on Impact Florida's [Five Conditions that Support Great Teaching](#), and how Florida school districts and other entities have been strengthening and rethinking these conditions to attack [the Opportunity Myth](#) and work toward equitable outcomes for all students.

At this Summit, participants will:

- Deepen our collective understanding of *the Five Conditions that Support Great Teaching*, and how they need to work together to improve student engagement, learning, and equity.
- Hear and see examples from diverse perspectives of *the Five Conditions* supporting effective teaching practices and promoting student access to the learning opportunities they need to succeed.
- Connect across districts and organizations to digest new information, share best practices, and problem-solve challenges within *the Five Conditions*.
- Consider how to refine our vision and strategies to promote equity and college-to-career readiness for all students.

Thursday, April 2nd:

We will focus on examining the *Five Conditions that Support Great Teaching* and their impact on student equity.
