Friday, October 16, 2020 - 9:00 a.m. - 2:00 p.m.**

The Summit will provide participants with specific and actionable learning and collaboration opportunities that address the opportunity gaps in Florida schools across racial, ethnic, and socio-economic lines. At this Summit, participants will:

- Deepen our understanding of the Five Conditions and how they have been reconceptualized to support the urgent work of the current moment;
